while traditionally americans view expensive military structure as a poor investment and a threat to liberty they also require the employment of armed forces as a guarantee of that very freedom beginning with the wars of the english colonies americans typically increased their military capabilities at the beginning of conflicts only to decrease them at the apparent conclusion of hostilities in this book a stellar team of military historians argue that the united states sometimes managed effective drawdowns sowing the seeds of future victory yet at other times the drawing down of military capabilities undermined our readiness and flexibility leading to more costly wars and perhaps defeat the political choice to reduce military capabilities is influenced by anglo american pecuniary decisions and traditional fears of government oppression and it has been haphazard throughout american history these two factors form the basic american liberty dilemma the vexed relationship between the nation and its military apparatuses from the founding of the first colonies through to present times with the termination of large scale operations in iraq and the winnowing of forces in afghanistan the united states military once again faces a significant drawdown in standing force structure and capabilities the political and military debate around how best to affect this force reduction lacks a proper historical perspective this volume aspires to inform this dialogue not a traditional military history drawdown analyzes cultural attitudes political decisions and institutions surrounding the maintenance of armed forces back cover

despite popular belief the civil war did not end when robert e lee surrendered to ulysses s grant at appomattox virginia in april 1865 the confederacy still had tens of thousands of soldiers under arms in three main field armies and countless smaller commands scattered throughout the south although pressed by union forces at varying degrees all of the remaining confederate armies were capable of continuing the war if they chose to do so but they did not even when their political leaders ordered them to continue the fight convinced that most civilians no longer wanted to continue the war the senior confederate military leadership over the course of several weeks surrendered their armies under different circumstances gen joseph johnston surrendered his army in north carolina only after contentious negotiations with gen william tecumseh sherman gen richard taylor ended the fighting in alabama in the face of two massive union incursions into the state rather than try to consolidate with other confederate armies personal rivalry also played a part in his practical considerations to surrender gen edmund kirby smith had the decision to surrender taken out of his hands disastrous economic conditions in his trans mississippi department had eroded morale to such an extent that his soldiers demobilized themselves leaving kirby smith a general without an army the end of the confederacy was a messy and complicated affair a far cry from the tidy closure associated with the events at appomattox
