the pineapple's discovery by European colonisers in the late fifteenth century and its remarkable global trajectory from an early modern object of rarity, desire and horticultural innovation to a cheap canned consumable and fair trade logo today is a story of modern globalisation. The pineapple from domestication to commodification is a wide-ranging interdisciplinary volume intended to provoke timely debate and generate radical rethinking of an overly familiar fruit with associations from luxury to kitsch. It deliberately problematizes the pineapple by investigating understudied tensions between its representational power and the historical and political contexts of its worldwide production and consumption. This connects the global and local at the heart of contemporary debates about the nature and origins of our food. It will have cross-disciplinary appeal for scholars of politics, economics, history, plant sciences, food and material culture as well as for broader audiences interested in food, gardening, the environment and visual arts.

a firsthand account of how God used a pineapple garden to teach an angry missionary the unexpected results of applying God's secret to conquering anger.

Anita Desai and her novels have been an enigma for decades. Scholars, critics, researchers and students have never stopped marvelling about supremacy of idea over matter in the works of this gifted novelist. The philosophical mood, the realization of a grand design, the presence of unsaid, unarticulated realities—all these have forever teased the mind of the discerning reader. In the present volume, Anita Desai has been extensively and intensely probed as the reader will see. The thrust has been more on psychological and intellectual facets of her fiction rather than social, cultural or physical areas. This is the trend of criticism these days and it is rightly so. The fine subtleties, the small but significant turn of events, the role of place in the formation of mental scene, the vitality of characters, the force of their personalities, the intricate of relationships—all these have been examined and expressed in words that are at once easy to understand as well as

graceful to aesthetic sense

the story of james dole the pineapple harvester

if you ever wondered what it s like to be a giant wrestling fan and work at wwe under vince mcmahon and travel the world with co workers who have been the stars of pro wrestling from the 90s through today this is the definite book for you this is the story of a passionate professional wrestling fan who wanted nothing more than to be the ring announcer for world wrestling entertainment best seat in the house covers the journey of the type of ambitious kid that justin roberts was wrestling fans always want to know how he got his job and this book discusses the path he took to get there the people he met along the way and the experiences that helped shape his character from his wwe tryout to his final night on the big stage justin gives you an in depth look at his journey to catch and live the job of his dreams from playing with action figures of bret hart shawn Michaels the ultimate warrior and hulk hogan to actually announcing them to the ring justin truly lived out his dream apart from announcing the top wrestlers in the industry from stone cold steve austin the rock to john cena brock lesnar ric flair and the undertaker justin also describes the politics travel requirements of wwe talent and the overall treatment from the monopoly that drives the wrestling industry there were so many ups but also so many downs and this title is the backstage pass for those who have always wondered what it would be like as a wrestling fan to actually get to work at the disneyland of wrestling with no hopes or interest to return to wwe and unlike those who write books while still in a relationship with the company justin is very honest in sharing his story a world that s more than just scripted ballet and spandex with real life physical action and hardworking athletes the story of working with individuals who are real life superheroes to all ages and genders and ethnic cities all over the world
